

Help Support Ketchikan Theatre Ballet!

Ketchikan Theatre Ballet has been in existence since 1961, becoming a non-profit organization in 1968. This year we are working with over 240 students ranging in age from four to adult fostering poise and self-confidence; creating dance and discipline through practice and performing. In order to continue offering our ever-expanding programs, we must depend on the community for part of our financial support. We are offering you this chance to become a part of our program and the lives of Ketchikan's children.

Please review the following options and check your support choice, complete the information below and return to Ketchikan Theatre Ballet with your payment. If you have questions please call Laura Cronk at the KTB Studio at 225-9311.
