Your Gift Makes a Difference

Ketchikan Theatre Ballet is a non-profit organization. We depend on your generosity and involvement to educate Ketchikan dancers.

Your gift to KTB assists with facility and production costs of our annual productions of Nutcracker in December and Festival of the North in February.

A contribution of \$250 and above also benefits our Scholarship Program. This program was established to provide tuition assistance for less privileged students. In addition to financial assistance, this program also provides dance gear such as dance shoes, tights and leotards to students.

Ketchikan Theatre Ballet sincerely thanks you for your generous support.
