

Ketchikan Theatre Ballet is a non-profit organization. We depend on your generosity and involvement to educate Ketchikan's dancers. Your gift to KTB assists with facility and production costs of our annual productions of The Nutcracker in December, Festival of the North in February and the Spring Gala in May, as well as the general operating costs of KTB.

A contribution of \$250 and above also benefits our Scholarship Program. This program was established to provide tuition for families who need financial assistance. In addition to financial assistance, this program also provides dance gear such as dance shoes, tights, and leotards to students.

Ketchikan Theatre Ballet sincerely thanks you for your generous support.
