Evening Performance Rehearsal 5:30PM

Anyone NOT at this rehearsal will unfortunately not be able to perform.

Everyone must be on time and ready to dance.

We will start with curtain call then go straight through the performance.

HAIR - Must be as instructed. NO bangs, hair scrunchies or hair snoods. (unless it's part of your costume) Bobby pins must match hair color. No silver or gold clips.

NO jewelry, watches, earrings or finger nail polish can be worn. If you are dancing

barefoot, no toenail polish. Please leave all personal items such as jewelry, cell phones, iPods etc at home. KTB cannot be responsible for any lost items.

NO UNDERWEAR OR BRAS under leotards or tights. (Unless okayed by an instructor.)

Please make sure your dancer has every piece of their costume or they will not be allowed on stage. NO tights with holes or runs. We have extras you can buy!

Dancers wearing shoes in the performance must have shoes with NO HOLES or tears.

If you do not have your shoes or they have holes in them - you will NOT go on stage for this rehearsal or the performance.

Tap dancers, please do not wear your shoes outside the auditorium. They are VERY slippery and leave marks on the floor! Tappers, you please keep your feet quiet.

Thank you.

Please pick your dancer up on time! Everyone is very busy and will not be able to watch over them. If younger dancers stay to watch the big kids rehearsal, they MUST be with a parent and sit quietly watching the rehearsal, no running in the isle or hanging on the bars.

If this happens you will be asked to leave the rehearsal.

VOLUNTEERS CAN PICK UP THEIR FREE TICKETS IN THE COMMONS FROM JOANN DURING THIS REHERSAL

LAVENDER Make-Up schedules will be handed out after this rehearsal.

All dancers will receive a special free ticket attached to the make-up schedule so they can watch one of the other performances.

Make sure your dancer receives theirs.

Please **DO NOT** invite your friends to watch **Final Dress Rehearsal for free!**

We have had a real problem in the past with people watching final dress rehearsal and then not paying to see the performance. It has gotten so bad during our annual Nutcracker performance at Christmas-time that we actually issue Final Dress Rehearsal tickets to parents.

Inviting people to watch for free is robbing KTB and disrupts the rehearsal. This is a time for parents to take pictures of their dancers and for dancers to perfect their craft. If this is the only time someone can see the performance due to conflicting events, Please tell them they can watch the rehearsal if they pay as if they were attending a regular performance. They can call the office and make arrangements or find Joann at the rehearsal.

If "uninvited watchers" persist we will have to resort to issuing Final Dress Rehearsal tickets like we do at Nutcracker. Help us keep this from happening. Thank you!

We ask that dancers **change into their costumes at the high school and *DO NOT* come in costume.**

Changing areas are available in the Auxiliary Gym locker rooms.

Girls, please stay out of the boys locker room!

DO NOT use the dressing rooms designated for the Junior and Senior Company members located behind the stage.

Please make sure your dancer has eaten (NOT in their costume please!) and gone to the bathroom before rehearsal and performances.

Due to Copyright Laws, VIDEO TAPING OF ANY KIND IS NOT ALLOWED. You are allowed to take photographs.

We understand that many cameras can now take both video and still photos. We ask that you honor this KTB/Auditorium rule and not video tape any performance or rehearsal. You may be asked to show that you do not have a video tape in your camera. Thank you!

All Tuition payments are due before the performance, May 10th.

Please no food or drink in the auditorium. Thanks!
